

FOREVER FLEETWOOD BIO

A Tribute to the Music of Fleetwood Mac

When you combine a huge recording budget with sex, drugs and rock-and-roll, then add in jealousy, infidelity and divorce it hardly sounds like a recipe for a successful album. The fact that *Rumours*, Fleetwood Mac's hit album, was ever finished, let alone stayed atop the charts for 31 weeks is a testament to the artistry of the individual band members.

Fleetwood Mac have sold more than 120 million records worldwide, making them one of the world's best-selling bands.

Forever Fleetwood is A tribute to the iconic music of Fleetwood Mac featuring Husband & Wife team Dave D and Raphael Roquemore from Perfectly Petty & Gold Dust Gypsy along with their band and introducing Didi Falcon in the role of Christine McVie.

Join us in celebrating one of the most influential forces in classic rock music, Hit after Hit guaranteed!
